

# PARKING FOR RINA'S RUN

Please have patience, and give yourself extra time when arriving Saturday morning. The best place for 5K/10k participants will be in the Ripon High School parking areas shown off N. Acacia & surrounding streets. Ripon Christian School has been so kind to allow us to park in their parking lot. We encourage only our half marathoners to park there because 5K/10k participants will have a tough time accessing & leaving this lot since you'll have to cross the course to enter the stadium. We'll have Ripon High JROTC cadets & other volunteers directing you.

Ede's Taco Truck will be by the snackbar. There will be activities like Giant Jenga, volleyball, cornhole and more on the field for family and runners hanging out for the awards ceremony. We'll have a personal property check-in at the snack bar. Looking forward to seeing you there!
